Marketing Executive · Healthcare AI & Deep Tech

Walnut Creek, CA / ashleylynnpola@gmail.com / [linkedin.com/in/ashleypola](https://www.linkedin.com/in/ashleypola) / ashleypola.com

Marketing executive with 15+ years taking technical and regulated products to market in healthcare AI, medical devices, robotics, and consumer tech. At CalmWave, Vave Health, and Ekso Bionics I built the full engine, from category to pipeline: \$0 to \$174.5M in pipeline and 70x revenue growth. I also build AI agents: ashleypola.com/tools.

EXPERIENCE

CALMWAVE Director of Marketing

Jun 2022 – Apr 2026 · Healthcare AI

- Led marketing from zero through Series A, reporting to the CEO and presenting to the board quarterly; tripled the team to a blended 10+, owned a budget up to \$1M, and built 8 AI tools for marketing and sales.
- Grew marketing-sourced pipeline from **\$0 to \$174.5M**; sourced Wellstar, Georgia's largest health system, via inbound.
- Created and named the **Operations Health** category, cited by GeekWire, CB Insights, and investor decks (\$13.6M raised).
- Built the messaging system used by product, sales, marketing, and CS; discovery calls fell from 45 to 20 minutes because buyers arrived understanding the category.
- Led the rebrand and two site builds (organic traffic **6x**); launched Transparent AI and Alarm Insights (demos +25%, +50%).
- Ran trade shows at HLTH, ViVE, and CHIME; events drove 30% of pipeline growth at a third of typical booth cost.
- Ran ABM, lifecycle, SEO, GEO, and paid; one ABM play booked meetings with **90%** of target executives.

DIMENSION EXPRESS Head of Brand & Strategy

Jan 2022 – Present · B2B SaaS · Consulting

- Relaunched a dormant SaaS platform, positioning through pricing; revenue grew **20%** and subscriptions **10%** in one quarter.
- Directed the build of an AI system that keeps 60K+ appliance specs current, replacing manual data entry.

VAVE HEALTH Head of Marketing

Nov 2020 – Sep 2023 · Medical devices + SaaS

- Led marketing reporting to the CEO; owned a budget up to \$2M and four agency partners.
- Grew revenue **70x**, from \$20K to \$1.4M ARR, and customers from 10 to 120+.
- Shifted budget from clinician campaigns to medical education, which converted 5x better; landed Touro and IU.
- Created and produced **EduCast**, a 15-episode expert video series, and built the clinical KOL program.
- Led the company side of FDA audits during a product launch, with no major observations.

EKSO BIONICS Marketing Manager

Apr 2019 – Oct 2020 · Robotics

- Owned brand and marketing strategy for a Nasdaq-listed company in clinical and industrial markets; budget up to \$1.2M.
- Grew revenue **23%** (\$11.3M to \$13.9M) with 98 new customers at a \$198K price point; qualified leads grew **5x**.
- Rebuilt the two-market brand (EksoHealth, EksoWorks) and launched a five-language site.
- Led three global launches; medical revenue grew **71%** in EksoNR's launch quarter and set a record the next.
- Created a \$30K co-marketing package that **20+ customers** bought, plus a user group and support for 14 distributors.
- Introduced the category's first ecommerce channel and subscription model.

TESLA Lead Customer Experience Specialist, Brand & Partnerships

Apr 2017 – Jul 2018 · Bay Area

- Led Tesla's LA Auto Show presence at the Model 3 debut: **20K+ leads**, ~\$50M pipeline, \$25M earned media.
- Wrote the Model 3 delivery playbook; onboarded 20K customers at the first delivery hub, a format scaled globally.
- Built partnerships with SF Symphony, SF International Film Festival, Jackson Family Wines, and a PGA event.
